### **Miniature 3 & 6 Watt Medical Approved Wall Mount Switchers**

Power specialist Advanced Power Solutions (APS) announces the release of their new GS2 series of 3 and 6 watt wall mount switching power supplies designed to support portable medical applications.

These new wall mount switching power supplies consist of 22 output voltage models ranging from 5~24 VDC and 3 or 6 watts of output power. 4 mechanical packages are available for North America, Europe, UK and Australia outlets. The supplies come in a miniature package size of 2.52 x 1.77 x 1.10" (North America). These products feature: Universal AC Input; Over Voltage / Over Current / Over Temperature Protection Circuits; Low Leakage of only 100 $\mu$ A @ 240 VAC; Dual Input Fuse; UL60601-1 & TUV EN60601-1 Safety Approvals; Class B Emissions; and a 2 year warranty. All models are available with customizable DC cable lengths and connectors.

Evaluation quantities are on-hand with production deliveries of less than 8 weeks. Specifications are available for download from <http://advpower.com/medical.htm>. Pricing is as low as \$5.00 for the 3 watt models (1,000 piece quantities). Contact APS at 925-734-3060 or [sales@advpower.com](mailto:sales@advpower.com) for sales & technical support.
